Percent satisfied with social and physical environment	100.0%	89.1%	82.1%
Percent satisfied with school-home relations	87.9%	87.3%	78.9%

\*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2007-2008 school year was an exceptional one for McCormick Elementary School. Our students and staff have worked very hard to be the best.

During this year, we have continued our emphasis on independent reading through our school-wide Accelerated Reader Program. All of our students got to meet a published author and learn about writing. Our weekly PACT Reviews have been a success, and all of the participating students earned T-shirts. Our third, fourth and fifth grades have also participated in the Mad Scientist Program.

Overall, student achievement is improving. The students are exposed to a variety of programs that will prepare them for the future. In addition, students in grades 3-5 had the opportunity to participate in an after-school program to help with their academic needs.

We are very fortunate to have many parent and community volunteers who support a variety of activities that contribute to our school's academic success and character development. We have a very active PTO and School Improvement Council that have worked diligently this year. They have sponsored fun, memorable events, and their efforts have benefited every child.

Our students have given back to the community by raising funds for the American Heart Association, the Humane Society, our local Helping Hands, and the American Cancer Society. Our Junior Beta Club visited the Senior Center and provided entertainment, fellowship, and distributed gifts. These projects have benefited both the community and our school.

Our school is a community made up of children, their families, and a caring staff who are all learners. It is in this community that our students feel free to explore their world and express themselves. They truly mean it when they say, "It's cool to be smart at McCormick Elementary School!"

Eleanor S. Rice, Principal  
Wade Mather, SIC Chair
